Dear Club Presidents and Club Secretaries of Rotary Clubs in District 3300:

Congratulations you on your installation as club officers of 2013–14. I am confident you will have a busy and rewarding year.

At every stage in our lives, Rotary has something for each of us. From the moment we became Rotarians, the world of Rotary service was open to us—and it became our obligation to choose how best to serve.

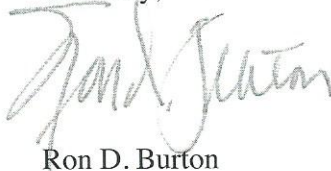

In this Rotary year, you have taken on the commitment of holding a Rotary office. You have decided to take the next step in your Rotary service, and accepted the privilege and the responsibility that come with that decision. How successful your year in office will be, will depend on you: on your planning, your enthusiasm, your dedication, and your hard work. In Rotary, as in so much else in life, the more you invest, the better your return.

It is an incredibly exciting year to be a Rotarian, and to be a Rotary officer. The challenge for Rotary leaders, at every level, is to help every Rotarian realize the potential that lies before us: as we finish the job of polio eradication, and move forward in a new era for our Rotary Foundation.

The more Rotarians are engaged in Rotary service, the more we all realize what we can achieve through Rotary—and our potential knows no limits. I wish you a wonderful year of successful service as we work together to *Engage Rotary, Change Lives*.

Sincerely,

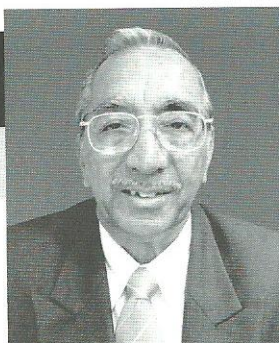

Ron D. Burton

# MESSAGE FROM AARON ONG

## Outgoing President, RY 2012/2013

Dear Distinguished Guests, Rotarians and Friends,

I am delighted to welcome you to our 47th Installation Dinner. It has been a humbling and rewarding year to be able to bring our members together to carry out our projects during my tenure as the 46th Club President of this distinguished club.

I also take this opportunity to thank Ann Vivian and the many Rotary spouses who have participated in our projects and supporting the fellowship activities held through out the year. None of our projects or activities will be possible without the support of the Board of Directors; and of both our new and seasoned members.

I am pleased to share with you some of the projects we have carried out during the year:

- Interact Leadership Training & Motivational Camp for about 200 Interactor held at Port Dickson
- Rotarians-Teachers Advisors Hi-Tea to discuss and improve on the supervision of the 8 Interacts clubs sponsored b RC Pudu
- Provided scholarships to 3 undergraduate students and over 150 secondary students
- Contribution of 200 units of digital finger pulse oximeters and training aids to the National Resuscitation Council of Malaysia and St. John's Ambulance
- Visited Jenjarom Old Folks Home twice during this Rotary Year and replaced the beddings and mattresses of all the residents and also some kitchen appliances in the home
- Sponsored and sent one candidate to join the district GSE team to Melbourne, Australia
- Participated at the "I Planted A Tree" District project at FRIM, Kepong
- Celebrated our club's 46th anniversary with our Chartered Member Tan Sri Soong and also some of the past members

During this one year, our club had also participated as international partner clubs in some of our sister's club projects. We are grateful to our sister clubs for inviting us to participate in their projects. It has helped us opened our eyes to the opportunities to serve others beyond our borders.

Ann Vivian and I had the opportunity to meet many Rotary friends from abroad during this period. Each encounter and interaction with our new Rotary friends and also with our club members had enriched our lives.

Ann Vivian and I extend our heartiest congratulations to President Alex Chang for his enthusiasm and vision to lead our club in this coming Rotary year. We also wish the in coming Board of Director all the best as they plan and carry out their projects in the coming year. May you find joy and fulfillment in serving others and may blessings multiplied bountifully in all that you do.

Lastly, I wish you all a wonderful and enjoyable evening.

Yours in Rotary

## OUR LATEST PRESIDENT...

### ROTARIAN ALEX CHANG HUEY WAH...

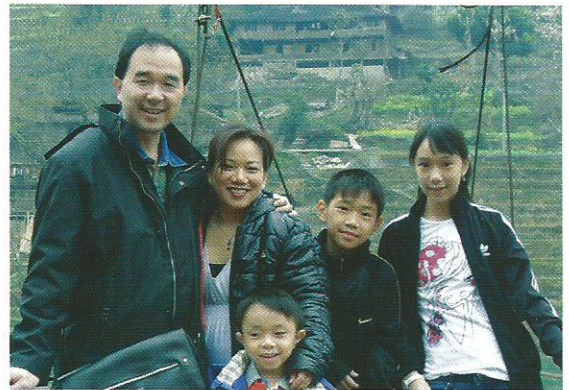

...is a prominent, dynamic and well-known lawyer. His motto is "Law is our Hobby" and he certainly lives up to it as he eats, drinks and breathes law. He has authored a number of law publications amongst which is the "Footprints of a Judge's Journey Through Mother Earth", a compilation of judgements by the late Mr Justice Dato Vincent Ng. With the funds raised by the marketing of the book, which was carried out by the Pudu Rotary Club, a fund was set up to help poor and needy students to further their careers.

He had his early education at the Hwa Chong Junior College, Singapore and he obtained his law qualification from the Queen Mary College, University of London. Thereupon he set up business in Kuala Lumpur. He is very positive about the legal business as he sees that "there will always be some good people who need help suing the bad people" and that in the future "more good people will sue more bad people".

He is married to Ann Elaine and together they have three lovely children viz Louisa (15), Sean (13) and Andrew (8). They do a lot of things together including travelling, clubbing and watching movies. Naturally three youngsters can be a handful sometimes but the end result is a happy family.

Celebrating Andrew's birthday

Family outing

His hobbies include watching movies, travelling, reading and writing. Indeed he has travelled to many places in the world including Italy and Australia, with his family. He likes to watch war movies and comedies, and some of his favourite people include people from the movie industry like Ann Hathaway, Stephen Chow and Pierce Brosnan. Politicians are quite positive with him too especially Margret Thatcher and Tony Blair. His favourite book include the "Company Winding Up Handbook" and you guess it right, he does a lot of winding up in his business! As for his favourite food, besides Chinese, he loves Japanese sushi.

In Rotary he has held many responsible positions since joining in 2003 and he had chaired many significant and beneficial projects.

In work, being a lawyer, he thinks that "Talk is not cheap" and in his social life he adopts the philosophy of "buying what you need and not what you want". And he is not into argument unless "I am paid and there is a Judge". His favourite quote is "those who mind don't matter, and those who matter don't mind", a quote from Bernard Baruch.

There is no doubt that this talented person can offer much to Rotary, and if you get the chance to talk to him, you will find that he is a knowledgeable, generous, warm and friendly guy.

He supports the Sister Clubs

He supports the DG

He supports the Jenjarom Old Folks Home

He supports having Firesides!

He supports Interact Leadership Training Seminar!

He supports the Interactors!

He supports the Rotaractors!

He supports the Teacher Advisors Hi Tea!

He has good relations with the Embassies

He was chairman of the Membership Development Night

He is a leader!

Celebrating his birthday with members

He is a winner surrounded by winners!

# PRESIDENT'S REPORT ROTARY YEAR 2012-2013

**Theme: "Peace Through Service"**

**By Rtn Aaron Ong, President RY2012/13**

The theme of Rotary International's President Sakuji Tanaka for RY 2012-2013 is **"Peace Through Service"**. His theme is most meaningful and relevant. He further elaborates, "Peace has different meanings for different people. No definition is right, and no definition is wrong."

With that it has set in motion the projects and activities we carried out in the name of Rotary International both in our community and with our sister clubs in the region.

The following are some highlights of the Rotary year that was .....

## District 3300

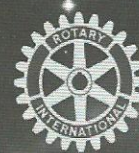

Our club supported and participated in various District events led by our District Governor Mansoor Saat. These are:-

1. Our club members, PP Gary Lim served as Assistant Governor for Group 6. PP Ken Ong held the position of District Advisor.
2. The in-coming board attended the 78th RI District Assembly held at Syuen Hotel, Ipoh from 30th March - 1st April, 2012.
3. Our club members also participated in 78th RI District 3300 Conference held at Sunway Resort on 7th - 9th December, 2012.
4. We also attended the TRF Foundation Awards Night 2013 held at Armada Hotel on 11th May, 2013. TRF Chairman MC Loo did a fantastic job in getting many of our members to attend that event.
5. We also participated in the District project of 'I planted a tree' at FRIM Kepong on 20th April, 2013.

## Vice President – Rtn. Lawrance Annies

To fund the various community and scholarships for this year, VP Lawrance Annies, chaired the club's fund raising project of a Charity Movie Screening of Men in Black III. This project was well supported by all our club members and the club raised a net income of over RM 90K for the Pudu Rotary Club Charity Foundation.

A CHARITY FUND RAISING SCREENING  
26 MAY 2012 - 10.00 AM  
GSC PAVILION KL

## Honorary Secretary – Rtn. Daisy Chiu

Though Rtn. Daisy is very busy shuttling between Singapore and Kuala Lumpur to cater for both family and career commitments, she has been the most efficient Honorary Secretary we have had.

The records of the club are kept well updated and Rotary dues promptly submitted. She has also organized the District Governor's official visit to our club on 2nd-3rd September, 2012 with great efficiency.

## Honorary Treasurer – Rtn. Sandy Soh

The other iron-lady of our club is Hon. Treasurer Rtn. Sandy Soh. Despite her busy schedule of running an international juice manufacturing business, she ensured that our club's accounts are in order. She had worked tirelessly to ensure our club accounts are streamlined and documented to ensure orderly transition to future club leaders. She has also been very efficient in ensuring our club dues are collected in time. Always ready with a smile, Rtn. Sandy is a great Hon. Treasurer and it is difficult to see members not extending to her their fullest cooperation. Well done, Rtn. Sandy!

## President Elect & Membership Development Chair – Rtn. Alex Chang

As the 'younger' generation of leaders in the club, PE Alex Chang is very tech-savvy and you can always see him ready and willing to adopt technology into his Rotary duties. He is the 'gadget' person of the club and had worked hard to organized the 46th Installation on 24th June, 2012. PE Alex is also the Chairman of the Membership Development Night held at Shangri La Hotel on 12th November, 2012. We had an Intercity Fellowship Night with RC KL Di Raja held at Rtn. May Lim's residence on 29th September, 2012.

During this Rotary year, we inducted the following new Rotarians to our club:-

1. Honorary Rotarian Dato' PY Choong
2. Honorary Rotarian Dato' Rosemarie Wee
3. Rtn. Brandon Bong
4. Rtn. Steven Ho
5. Rtn. Edward Lee

We were sad to lose some members namely PP Chow Tain, Rtn. Jonathan Victor and Rtn. Lawrance Annies during the year.

Our club membership now stands at 56 members.

Great job, PE Alex Chang!

## Immediate Past President – Dato' Steven Oon

IPP Dato' Steven Oon had hung up his running shoes for a year when he assumed the presidency of the club in RY 2011-2012. This year he got to return to his favourite past time of running again with the Hashers and taking part in may local and international marathons. While he got to indulged in his runs once again, he has not forgotten to carry out his duties to organized :-

1. PRC Scholarship Awards and Undergraduates Grants in January, 2013 held at MBSSKL.
2. 100% Appreciation Dinner
3. Spouses' Night (2nd February, 2013 @ Flame, KLGCC)

Thank you, Dato' Steven Oon.

## Club Administration – Rtn. CT Heng

This year our club is ably marshalled by Rtn. CT Heng. Rtn. Heng is the back bone of RC of Pudu and his dedication to ensuring the club function smoothly is very much appreciated by all of us.

Rtn. Heng also organized many activities to get the members and family members together through both Rotary and also informal gatherings.

He also helped organized the club's 46th anniversary celebration which was well attended by both past and current members of the club.

Thank you very much, Rtn CT Heng!

## Bulletin – PP Richard Liew

Our club's Bulletin Chairman for this year is PP Richard Liew. He is ably deputized by PP Phang Poke Shum. Between this two stalwarts of the club, our Berita Pudu, has been produced weekly without fail and with many interesting contents. I have received many compliments from Rotary spouses about the quality of the contents of our bulletin. The spouses learnt much about the activities of the club in our bulletin.

Thank you PP Richard and your team!

## Public Relations – Rtn. Roy Sreenivasen

Director Roy Sreenivasen helped our club in publicising the activities of the club. He is also actively involved with projects of the club. Some of our club activities had appeared in both the English and Chinese newspapers.

Thank you, Director Roy!

## Service – Rtn. Jeffrey Yap

Firstly, I wish to express my appreciation and gratitude to Rtn, Jeffrey for willing to take up this directorship despite the challenge of having to chaperone his daughter who is studying in Australia. This amazing Rotarian is able to schedule his time and carry out some outstanding community service projects which we are all so proud of.

### Jenjarom Old Folks Home

As one of our club's signature project, Director Jeffrey and Rtn. Mok Sin has organized two visits to this home for this Rotary year.

The first visit was in July 2012 and the recent visit was on 27th January, 2013 where we celebrated 25 years of support our club has extended to this home.

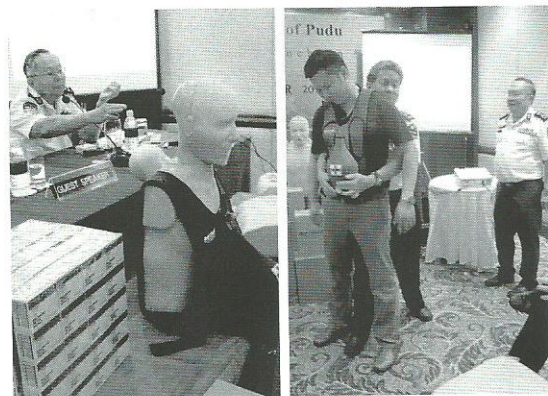

It was attended by over 100 members, family and friends. Director Jeffrey even organized for new mattresses and beddings for the residents of the home.

## Digital Finger-Pulse Oximeters

This project was co-chaired by Dato' Lee Hoo Teong. It involves the distribution of 100 units of digital finger-pulse oximeters to Emergency First Responders and also training mannequins to the National Resuscitation Council of Malaysia.

We later learnt that 50 units of the digital finger-pulse oximeters were sent to Sabah for use by medical officers and Emergency First Responders immediately after the incursion in Lahad Datu.

Thank you, Director Jeffrey Yap !

## The Rotary Foundation – Rtn. Loo Ming Chee

This Rotary year our club is blessed by the very talented and enterprising director Loo Ming Chee, popularly known as MC. Despite the demand of his work, he found time to help the club perform some outstanding activities that made us all proud.

### RC Mandaluyong's 50th Anniversary

Director MC gathered over 20 Pudu Rotarians and spouse to attend our sister club's RC Mandaluyong's 50th Anniversary celebration on 22nd February, 2013. It was a significant milestone in our sister club's anniversary and it allowed RC Pudu to show our commitment in supporting them. We also got to witness the opening to the Creative Media Center in Jose Rizal University where RC Pudu was one of the international matching grant partners.

### **RC HK Harbour – Sensory Room Project**

Director MC was responsible for helping raised US 3,000 towards the our club's contribution to our sister club's Hong Kong Harbour's sensory room project for the learning challenged children.

### **RC Dhonburi – Mosquito Nets Project**

Director MC helped in soliciting PHF donor for this matching grant project with our sister club, RC Dhonburi. Thanks to the generous support from PP Dato' Jasani, our club was able to be one of the international partner for this worthy project.

### **TRF Contributions**

For this Rotary year, our club contributed over US\$ 12,000 towards The Rotary Foundation. Director MC has worked immensely hard in this effort towards raising funds for humanitarian works through Rotary around the world. A portion of this contribution will find its way back to our club for humanitarian development projects in the future. For this I wish to thank Director MC and those generous members who have contributed towards this worthy cause.

Syabas, Director MC!

### **Service To New Generations – Rtn. Laura Lee**
