Effective Debt Recovery For Busy Managers - A Talk on Procedures and a Dialogue Session on Recovery

Date: 25th April 2008

Venue: Legend Hotel, Kuala Lumpur, Malaysia

In litigation, time is of the essence. Do you know how to equip yourself to your debts in the fastest possible ways?

If Debt Recovery is under your care, we have prepared a 1-Day seminar with the leading speakers in this area.

Alex Chang - a much sought-after trainer, his training sessions are found eye-opener to Credit and Legal professionals. During this workshop, Alex you to achieve the following:

- Get paid within six months of suing your debtors, and
- Get your questions answered in the Dialogue Session.

Who Should Attend

Credit Management, Finance, Legal and Revenue Collections Managers as Business Owners

- Who are frustrated with their debt recovery results and

- Who like to have some answers to their questions.

Participants must have at least **2 years' experience** in the recovery process. They would like to find out why recovery takes so long and how the legal system works and not the text book details of it. The course is not designed for lawyers and persons who are new in the recovery process.

The Expert - Alex Chang

Mr Alex Chang is practising in Kuala Lumpur, a commercial court lawyer with vast litigation experience. He has appeared in many reported cases.

Mr Alex Chang has conducted numerous training for The Bar Council, The Kuala Lumpur Bar Committee, Johor Bar Committee, The Malaysian Institute of Accountants (MIA), Asia Pacific Diligence, Basis M & A Services, a company of Bernama, and the Malayan Law Journal.

Mr Alex Chang has contributed or edited the following publications designed for the legal profession:

- The Malaysian Court Forms, Companies Winding Up section;
- The Companies Winding Up Handbook 1998 and 2003;
- The Halsbury's Laws of Malaysia, Companies Winding Up section Vol 6.

Workshop Format

<p>PRACTICAL</p> <p>Practical and participative in style, with emphasis on real life work place examples.</p>	<p>PARTICIPATIVE</p> <ul style="list-style-type: none"> - 40% expert input / 60% audience participation - Discussions of participant specific issues and opportunities to share best practices
<p>LEARNING AIDED</p> <p>Case studies, small group practical exercises, small group discussion, skill practices, application planning, consultative sessions and walk-through simulations.</p>	<p>SOLUTIONS-ORIENTED</p> <p>Based on hands-on experience from the participants, participants will be able to implement concepts as soon as returning to the workplace.</p>

HRDF
