SEPTEMBER IN NEW GENERATIONS MONTH

In the Rotary calendar September is designated to be the New Generations Month. Now just what do you do during this month?

In the Club, **we try to carry out activities that concerns the New Generations.** This responsibility is given to the New Gen Director who oversees these activities which involves basically the Rotaractors, the Interactors and all youth. **In the regular club meeting,** the programme chairman can invite a youth (be him/her a person from the Rotaract or Interact) to talk about anything that concerns today's youth. Some subjects can be their attitude towards today's education, their concern over today's social problems, drugs, dating, the Internet, parental guidance etc.

Or a forum can be organised for either experts or the youth themselves to discuss these issues. One would be surprised to discover that what the adults or authorities think might be greatly divergent from what the youth think. In this cyber age when information can be obtain with just a click of the computer, the youth of today is perhaps the most knowledgeable ever. However knowledgeable is one thing, and attitude is another. So it would help the authorities a lot to know some of these youth's attitudes so that the formulated laws are not in conflict with their desires and thinking. Otherwise enforcing the laws would be difficult.

The Rotaractors and Interactors themselves can organised projects that project their activities. This is important as their activities are considered to be healthy activities and can act as a lure from otherwise unhealthy activities. Some of their projects can involve visits to old folks home, thus teaching them to be respectful to senior citizens and parents, or a project that tells about the dangers of the use of illegal substance like drugs. It might even be as simple as doing a painting job for their school in respect of Interactors.

The Rotary Club of Pudu has consciously done many projects with the New Generations during the month of September. **One such project was an outing to Keyir Dam** with a group of wayward youth to promote family values. **Another one was a trip to the Endau Rompin Rainforest** with Interactors, Rotaractors, handicapped youths, International student to promote fellowship amongst them and also to give them an awareness of environmental protection. We had also carried out an **exhibition of the danger of the use of illegal drugs** meant mainly for the youth.

September is an important month for all Rotary Clubs as it asks us to be consciously aware of today's youth problems. Rotary has asked us to not only think about them, but to do something as well. The well known statement comes to mind **"the youth of today are tomorrow's leaders"**.

September is New Generations Month in the Rotary calendar. This is the time for us as Rotarians to focus on the programs that **support the development of youths and young adults.** If we believe that young people are the leaders of tomorrow, we should then, support the development of youths and young adults in the most beneficial ways possible.

Again, this reminds us of R.I President, John Kenny's Rotary Theme – **"The Future of Rotary Is In Your Hands"** – he strongly emphasis that it is **important** indeed for every Rotarian **to play a significant role in shaping the future of Rotary.** Every youth and young adult are our **potential Rotarian.** Hence, every Rotarian is an **example** to the youth and young adult.

As business leaders, Rotarians are always in a unique position **to provide vocational guidance and career opportunities to young people.** Rotarians also promote the **ideal of service** to young people through Interact club programs.

Ultimately, for more than four decades, Pudu Rotary Club has **sponsored 9 Interact Clubs** around the Pudu prefecture. In this avenue of service, for these young people, programs such as **Career Development, Rotary Rotaract Interact Games, Youth Exchange, Community and International Understanding Projects** are being organized. Nevertheless, one of the most effective program is our own profound **Interact Leadership Training Seminar (ILTS).** Every year around the month of March or early April, without fail, youths between the **ages of 12 and 18** are given the opportunity to learn how to **work together in fellowship dedicated to service and international understanding** in this seminar before they take office as **Interactors.**

Another important program is **Rotaract. Every Rotaract is a potential Rotarian,** so we should continuously consider supporting and nurturing them to be our future leaders as our **highest prerogatives.**

In our District 3300, for more than 36 years, Pudu Rotary Club have sponsored **one and the only one community-minded men and women Rotaract Club** and these Rotaractors are **involved, energetic, and very committed to the Rotary ideal of service.** You will find their **fresh ideas, and perspectives to be most valuable and their presence help energize and inspired** the Club, if you have the opportunity to work with them in their community projects.

Indeed, they too, have done us proud.

Throughout all the Rotary years, they have achieved **many significant recognitions and awards** from District 3300 and the **most significant** of all was they have been awarded as the **Best Rotaract Club** and the **Best Fellowship Awards for two consecutive years** last year.

As a true Pudu Rotarian, can I have the liberty to ask you these **few most important questions?**

When was the last time you have attended an Interact Club General Meeting or Board Meeting or even at the Interact Clubs Council Meeting?

When was the last time you are really support, get involved and have participated unconditionally in any of the Interact or Rotaract programs?

CLUB PROCEEDINGS

Acting SAA PP KU Rajah called the meeting to order at 1:10 pm on behalf of President Robin Tay. He introduced all the visiting Rotarians and guests and later led in the singing of the National Anthem and as this was the month of Ramadhan there was no loyal toast proposed.

There was no fine session for this meeting.

PRESIDENT'S ANNOUNCEMENT

GOOD AFTERNOON and Welcome to our weekly luncheon meeting.

Today is a very special day for our Club. We are inducting 3 new Rotarians to our club this afternoon and they are Ms. Brenda Lee, Ms Lee Su Zane and Mr James Prohett. With them being inducted our Club's membership is now 60. But before this, there are few announcements to be made.

My Fellow Rotarians, this month of August we have an eventful month. Last Monday, 17th August 2009, more than 190 people attended the Book Launch - The Footprint of a Judge through Mother Earth and it was successfully concluded. A sum of RM100,000.00 has been raised and another RM20,000.00 in the form of books.

Thank you, Organizing Chairman and co author, Rtn Alex Chang for coming up with this noble idea and to all the generous donors for making a difference and for your kind donation.

Just for your information, Mr Justice Dato' Vincent Ng is recovering at Selayang Hospital and if anyone wants to pay him a visit he is at 9th Floor, Ward 9B, Bed 23.

On last Saturday, 22nd of August 2009, our Club handed over 2 Motor Scooters equipped with the necessary life saving tools for fast and effective application to St John Ambulans Malaysia, Kawasan Pantai Selangor. This noble project, "FIRST RESPONDER IN EMERGENCY" was graciously graced by our Guest of Honour and Honorary Member, YB Datin Paduka Senator Chew Mei Fun and yesterday, the news was highlighted in most of the leading Chinese newspapers.

The Project Chairman, PP Choo Jee Sam raised RM33,000.00 for this noble project. The kind and generous donors were Rtn Loo Ming Chee, PP Choo Jee Sam and our late PP Patrick Ng, (our late PP Patrick Ng was represented by his loving spouse, Madam Tenny)

Thank You PP Sam for putting in all the hard work and for raising the money. Thank You to all our kind and generous donors and not forgetting to mention, Thank You PP Albert Lim for getting the Members of the Press and Media to cover this significant and meaningful event.

A total of 19 Rotarians and Rotary Anns were there at St. John Ambulans Malaysia Kawasan Pantai Selangor, HQ and after the function, as usual, Pudu Rotary's Style, fellowship continued. We were all been treated with a sumptuous Bak Kut Teh at Butik Tinggi, Klang by PP Choo Jee Sam.

Fellow Rotarians, please be informed that on 16th September 2009, we are holding our 3rd FRESIDE and it will be hosted by Rtn Sarky. Our dedicated "Pengurus Tepi Api", Rtn Tan Peng Huat will be going around to get in touch with you for your attendance.

Last but not least, please be reminded, in view of our Independence Day which falls on the 31st August 2009, our Monday Weekly Luncheon meeting will be cancelled.

- Induction of 3 New Rotarians. (Sgt-At-Arms please escort the 3 new members of our Club to front of the main table, while I call upon their Introducers to introduce them.)

Fellow Rotarians this is the moment we have been waiting for. I have the great honor to call upon Rtn Jeffery Yap to introduce his candidate, Ms Brenda Lee.

Next, it gives me great honor to call upon Rtn Steven Oon to introduce his candidate, Ms Lee Su Zane.

Lastly, I would like to take this opportunity to introduce my candidate, Mr James Prophett.

On behalf of the Members of Pudu Rotary Club, can I now have the great honour to call DG Leslie Salehuddin to invest in our 3 New Rotarians and hand over to them the Objects of Rotary and the 4 Way Test Certificate.

Fellow Rotarians, can I ask you to be upstanding and charge your glass and let's welcome our 3 newly inducted Rotarians in our usual Pudu Rotary manner.

WELCOME, to Pudu!

Thank You, DG Leslie Salehuddin for your time and support.

Secure Your Piece of Mind

Are your home and working premises sufficiently secured?

SECURITY ELECTRONIC SYSTEM

- CC TV Surveillance System
- Alarm System
 - Wired
 - Wireless
- Wired Alarm
 - Wires may be noticeable in some places. But 95% wires have concealed most of time
 - The price of a wired system is usually less expensive than a wireless system
 - The sensors and fittings are cheaper but the labour and installation is more expensive

- A wired system requires very little maintenance
- You can fit sensors where ever you wish on your premises
- Wireless Alarm
 - The mains power supply still has wires No wires to the sensors
 - The price of a wireless system is more expensive
 - The installation labour costs are less but due to high cost of the expensive sensors, the whole system generally high
 - Every six months once need to maintenance on sensors' battery
 - Limitations as to where the sensors can be fitted
- Access Control
 - Card Access System
 - Fingerprint
 - Iris scan recognition

IMPORTANCE OF SECURITY SYSTEM

Peace of mind

- Users can reduce their stress and anxiety of premises safety

周美芬：2020年成全球第三大負擔

【交通意外所造成的伤害，是一项必须获得大家重视的公路安全问题，因此各国必须高度重视，并积极协调和持续预防，才能有效地减少车祸死亡率。」

【巴生22日讯】妇女、家庭及社会发展部副部长拿汀巴杜卡周美芬表示，在大马每年有逾2000人死于交通事故，每小时有17人死于3人受害，每小时更有1名驾驶人受害，数据让人触目惊心。

“根据世界卫生组织（WHO）的调查结果显示，若未加以改善，到2020年，交通事故将成为全球第三大负担。据今日发布的一份全球移交捐款和捐赠品给雪兰莪州圣约翰救护队总部时指出，目前，全球每年有逾1200万例车祸和小车祸交通事故，还有超过1亿人受害；若情况持续，数据更糟，这些数字在未来20年内，将增加65%。”

富都扶輪社資助班底聖約翰 迷你摩托救急

【巴生22日讯】拥挤的交通，紧急救援，如何才能最快抵达现场呢？答案是使用小吉士迷你摩托（Scooter）！

富都扶輪社与长期合作伙伴——雪州班底圣约翰救护队，联合推出五个社区计划，资助迷你摩托救急，资助迷你摩托有逾3万3000个的迷你摩托，充作紧急救护车。

由于救人如救火，当启动两台小摩托作为救护车，若能改善，将缩短其增加人口密度、交通拥堵的瓶颈，特别改善小摩托设备先遣，则有必要的捐赠物资及紧急车辆。

富都扶轮社今天把迷你摩托移交圣约翰救护队，并由妇女、家庭及社会发展部副部长拿汀巴杜卡周美芬见证。

出席者包括圣约翰救护队指挥官兼指挥官刘明德、富都扶轮社俱乐部地区会长李林嘉清、富都扶轮社社长林嘉清及雪州班底圣约翰救护队指挥官林嘉清。

此外，Goodyear轮胎公司也捐赠30套价值约1000令的轮胎，给圣约翰救护队。富都扶轮社（Inner Wheel）成员也捐赠了17台小吉士。

周美芬说，全球每年的交通事故意外造成20万人死亡，如果全球的情况持续下去，这个数字在未来20年，会增加65%（至190万人）。

在大马，每年在公路上的交通事故造成2000人，意味着每天有17人，每小时有1人受害。

全球车祸每年死120万人 未来20年增65%

未来的伤亡对社会造成的负面效果，造成深远影响，故交通拥堵出大车祸，减少公路意外伤亡数字，这包括教育、执法、工程及环境因素下手。

Projek khidmat komuniti 'Charity Car Wash cum Polish'

【KUALA LUMPUR】- Pudu Rotary Club (PRC) dengan kerjasama Jidohua Salon Sdn Bhd (JSSB) berjaya melancarkan projek "Charity Car Wash cum Polish" pada 1 Ogos lalu. Majlis persembahan tersebut diorganisasikan Timbalan Menteri Luar Negeri, Senator Khiliah Pilay.

Khiliah dalam ucapannya memeahikan rasa gembira kerana berpeluang turut serta projek yang begitu bermakna dan memberi manfaat kepada Beacon Life Training Centre (BLTC), sebuah pertubuhan yang menaja 12 kanak-kanak Sindrom Down di kawasannya, Kepong.

Belau menghargai sikap perhatian JSSB yang sudi menjadi penyaja dana yang dituai hasil jualan kupon PRC dan BLTC kepada rakan-rakan, ahli kelab dan orang ramai. Setiap kupon bernilai RM15 termasuk membekalkan salutan pengering hawa.

Pengarah Eksekutif JSSB, Haney Ngwou membolehkan projek itu turut membekalkan salutan pengering hawa selagi ia tidak mencuci kereta kerana ia dapat menghidari bakteria berpamali di dalamnya.

Kupon mengantikan kereta bernilai RM150 menggunakan teknologi Jepun yang khusus untuk melindungi kereta anda serta menjaga alam sekitar. Ia juga termasuk tugas mencuci salutan pengering hawa.

Jualan kupon berakhir pada 31 Ogos dan sah digunakan sehingga 31 Oktober. Hasil kutipan dana tersebut akan dikongsi bersama BLTC dan PRC. BLTC akan menggunakan wang tersebut untuk mengjinjani operasi pusat latihan bagi kanak-kanak Sindrom Down manakala PRC memanfaatkan dana tersebut bagi program bimbingan.

Pada hari pertama, sejumlah RM10,500 dapat dikumpulkan. Ramai kolongan ahli dan keluarga Kelab Rotary turut padang untuk beri kerjasama menjayakan projek membasuh kereta. Semalam 10 ahli daripada Provisional Rotaract Club of Taylor College Sri Hartamas turut menjayakan kerja amal bersama BLTC dan JSSB.

Orang ramai dialu-alukan membeli sokongan projek amal tersebut. Selagi yang ingin membeli kupon tersebut boleh hubungi Pengarah Lepas Gary Lim menerusi 019-2822311 atau 019 2326566.

Kupon tersebut boleh digunakan untuk khidmat cuci kereta di Jidohua Salon Sdn Bhd, Petronas Service Station, Lot 29071 & 29072, Taman Samudra, 69100, Batu Caves, Kuala Lumpur (berhampiran Gantner Hyper Market), atau hubungi Haney Ngwou (017-8026303) untuk membuat janji temu dan Pengurus Beacon Life Training Centre (BLTC) Eddy Cheah (012-3200705) di alamat 16-1, Jalan 662A, Bandar Menjalara, 52200, Kuala Lumpur.

周美芬：平均每日 17 人丧命 车祸率高企影响社区

【巴生22日讯】妇女、家庭及社会发展部副部长拿汀巴杜卡周美芬表示，大马每日平均有17人在交通意外中丧命，若不设法阻止这高企下的数据，恐对更多家庭和社区造成更严重的影响。

周美芬今日中午在位于巴生港口的雪州滨海区圣约翰救护队中心，见证数个团体移交捐款和物品给大马圣约翰救护队的仪式时如是表示。

周美芬说，全球每年的交通事故意外造成20万人死亡，如果全球的情况持续下去，这个数字在未来20年，会增加65%（至190万人）。

President's Message ... (continues from page 2)

When was the last time you attended the Service to New Generations Avenue Meeting?

When was the last time you have attended the Rotaract Club General Meeting, Club Assembly or their Board Meeting?

When was the last time you participated in the District Rotaract Conference, District Rotaract Assembly and the Asia Pacific Regional Rotaract Conference?

With this, I like to quote what Mohandas Gandhi once quoted, "The future depends on what we do in the present."

Fellow Pudu Rotarians, I sincerely urged and appeal to you for your endless support in these two most important programs with our hearts and soul - for the future of Pudu Rotary Club is indeed in your hands.

Thank You

Robin Tay

ATTENDANCE COMPETITION

To promote better fellowship

Dear fellow Pudu Rotarians,

As we are all aware, Rotary was founded on fellowship and friendship. Thus fellowship is recognized as the Foundation Stone of Rotary. This foundation has helped Rotary to survive two world wars and numerous world disasters and calamities. To achieve or strengthen this bond of fellowship and friendship, Rotary International has listed as one its requirements of a Rotarian the need to attend weekly Rotary meetings as meetings provide "the development of acquaintance as an opportunity for service" – first part of Object of Rotary. Club members attending our weekly meetings provide us the opportunity to enhance friendship with each other so as to enable us to join hands to serve. Thus has been said that "we can't promote fellowship with empty chairs".

Rotary Clubs throughout the Rotary world regularly innovate programmers to encourage attendance. Amongst the numerous methods is the attendance competition within the club. This competition is not just to promote better attendance but also to provide a spirit of friendly fun competition.

Our President Robin Tay has mooted the idea of an attendance competition for this Rotary Year where all our club members (except the exempt members) are divided into 11 groups of 4 members each. Each group will be headed by a board of director who will be responsible to monitor and encourage better attendance. With this simple fun attendance competition, we

hope that our club will not only achieve a target of 95-100% attendance at regular club meetings but also elevate our club to the top 5 in attendance in the District.

Points will be awarded to each member as follows:

- 3 points for attending a regular club meeting
- 2 points for attending a district/club project
- 2 points for make up at other clubs
- minus 1 point penalty if no make up is done

Speech by YB Datin Paduka Chew Mei Fun:

It is indeed an honour for me to be invited to launch this timely and most needed community service project called "First Responder in Emergency" which will definitely save some lives.

Road accidents is projected as the third leading cause of the global burden of disease by year 2020 according to the World Health Organisation (WHO), if there is no new intervention to resolve this problem. In fact, road traffic injuries are a major but neglected public health challenge that requires concerted efforts for effective and sustainable prevention.

It is estimated that 1.2 million men, women and children are killed in road crashes each year and millions more seriously injured globally. Projections indicate that these figures will increase by about 65% the next 20 years unless there is new commitment to prevention. In Malaysia, more than 6,200 Malaysians are killed annually on our roads.

Everyday, 3 people are injured, 1 suffer from severe injury in motor vehicle every hour and 17 people die in road accidents. The high number of road accidents injuries and deaths in Malaysia has devastating effects directly on the affected families and the larger community.

The Government is committed to minimise injuries and casualties due to road crashes. In line with this, the Ministry of Transport has adopted a 5-year plan, namely Road Safety Plan of Malaysia, 2006-2010 in 2006. The Plan outlines 9 strategies to address road safety issues covering education, enforcement, engineering and environmental issue.

Ladies and gentlemen,

As most of you may be well aware, densely populated areas especially in KL and Klang are infamous for traffic congestion. As such, in the event of any emergency especially road accidents in these areas, ambulances may encounter much difficulty in having to squeeze through heavy traffic.

Thus, during emergencies, the first responder in the form of fully equipped motorcycles will most effectively reach victim-survivors promptly and thus able to administer necessary first aid promptly. I believe many precious lives could be saved in this way. If proven to be successful, I hope this will be introduced to other densely populated areas. I take this opportunity to say "syabas" to St John Ambulans and the Rotary Club of Pudu.

Some of you may know I am an honorary member of the Rotary Club of Pudu and I am truly proud of this project as well as other projects carried out by the club. I understand we have a long partner-in-service relationship with St John Ambulans, Kawasan Pantai Selangor. Both organizations share the ideal of service to the community.

The Rotary Club of Pudu and St John have successfully set up 4 dialysis centres in Klang, Rawang, Raub and Shah Alam and I believe about RM2 million have been raised. All the centres are doing well and servicing mainly the lower-income groups. As I understand, St John Ambulance operates 13 dialysis centres in the country. On behalf of all the patients and their families, I thank you for your great contribution to society. The spirit and dedication of your organization is commendable and admirable.

Further to this, I would also like to take this opportunity to thank the Inner Club of Kuala Lumpur for donating RM10,000 to St John Ambulance and Goodyears Tyres for contributing tyres for ambulances of St John. I understand Goodyear has been doing that consistently for many years. This is indeed a notable effort in assisting another deserving NGO to fulfill its mission for their service to humanity.

With this, once again, from the bottom of my heart, "SYABAS" and "Thank You" to all the generous donors and all of you for coming in numbers to support this noble and life saving project organized by Rotary Club of Pudu and St John Ambulance Malaysia.

Thank you and may you have a wonderful weekend.

Motosikal lebih praktikal beri bantuan di kawasan sesak

KLANG: Setiap kali ada kemalangan jalan raya, perkara sering berlaku ialah kesesakan jalan raya berikutan ramai yang mahu melihat apa yang berlaku.

Malangnya, bukan untuk membantu, sebaliknya sekadar mengetahui sama ada kemalangan itu teruk dan menyebabkan kematian atau sekadar calar pada badan kenderaan.

Apa yang dibimbangkan ialah sikap begini akan hanya menyusahkan pasukan penyelamat, terutama jika kemalangan itu membabitkan nyawa dan memerlukan rawatan segera.

Statistik Persatuan St John Ambulans menunjukkan 17 orang terbabit dalam nahas jalan raya setiap jam.

Sehubungan itu, bantuan kecemasan awal penting untuk menentukan sama ada mangsa mampu bertahan atau kecederaan menjadi lebih teruk dan akhirnya membawa kepada kematian.

Tindakan pemandu ambulans membunyikan siren juga tidak banyak membantu kerana ramai seolah-olah memekakkan

telinga, selain keadaan lalu lintas yang sesak teruk sehingga menyukarkan pemandu kenderaan lain memberi laluan.

Idea penggunaan motosikal skuter dilihat sebagai satu cara yang mampu menyelamatkan nyawa mangsa kemalangan secepat mungkin.

Menyedari keperluan sedemikian, Kelab Rotary Pudu membentuk kerjasama dengan Persatuan St John Ambulans Malaysia kawasan Pantai Selangor untuk mengurangkan kadar risiko kematian pengguna jalan raya melalui penubuhan 'First Responder in Emergency'.

Kelab itu menyumbangkan RM33,000 bersama dua skuter, manakala Kelab Inner Wheels menyumbangkan RM10,000 yang akan digunakan untuk memberi bantuan kecemasan awal. Syarikat Goodyear Sdn Bhd pula menyumbangkan 35 tayar bagi kegunaan ambulans persatuan itu.

Semua sumbangan itu disampaikan Timbalan Menteri Wanita, Keluarga dan Pembangunan Masyarakat, Datin Paduka Senator Chew Mei Fun, pada majlis ringkas di premis persatuan itu.

Ketika berucap pada majlis itu, Chew berkata, penggunaan motosikal lebih praktikal untuk membawa ahli paramedik ke tempat kemalangan berbanding ambulans yang terpaksa mengambil masa lama untuk tiba berikutan kesesakan jalan raya.

"Saya percaya nyawa yang berharga dapat diselamatkan melalui cara ini. Jika kaedah ini berjaya, saya berharap ia dapat diperkenalkan di kawasan yang dikenal pasti mencatat angka kemalangan tertinggi," katanya.

Antara kawasan yang mencatatkan kadar kemalangan tinggi ialah di Klang dan Kuala Lumpur.

Seramai 1.2 juta orang terbunuh akibat kemalangan jalan raya setiap tahun di seluruh dunia dan jumlah itu dijangka meningkat kepada 65 peratus dalam tempoh 20 tahun akan datang jika tiada usaha dilakukan bagi meminimumkan angka korban itu.

Statistik di Malaysia pula menunjukkan lebih 6,200 orang terbunuh di jalan raya setiap tahun dan setiap hari tiga penunggang motosikal mengalami kecederaan dengan satu daripadanya terbunuh, manakala ada yang menderita akibat kecederaan dialami.

Kerjasama antara Persatuan St John Ambulans Malaysia dengan Kelab Rotary Pudu terus mantap apabila berjaya mewujudkan empat rangkaian Pusat Haemodialisis bernilai RM2 juta di empat kawasan terpilih antaranya Klang dan Shah Alam selain beroperasi di 13 Pusat Dialisis seluruh Selangor.

Handing Over Ceremony of

- 2 scooters as First Responder by Rotary Club of Pudu
- 30 tyres for ambulances by Goodyear Marketing Sdn Bhd
- RM10,000 donation by Inner Wheels Kuala Lumpur

In line with our motto “For the Service of Mankind”, we, are always ready to serve the needy.

Hence, we always look for better improvement in the quality of our service to the public. We are grateful that our regular donors never put a stop supporting us on the effort that we have given to the public.

Rotary Club of Pudu has a long partner-in-service relationship with St. John Ambulance, Kawasan Pantai Selangor.

The first project was The Dialysis Centre in Klang, where Rotary Club of Pudu raised RM270K for 6 dialysis machines for the centre. The second one was much more ambitious where RM800K was raised to equip the centre in Rawang. The third centre was in Raub where 10 dialysis machines worth RM450K were put in. The forth centre was in Shah Alam where RM500K worth of machines were put into service. All 4 centres are utilized and running well.

You are now invited to the launching of our fifth project with St. John Ambulance, Kawasan Pantai Selangor “First Responder in Emergency”. This is to test the effectiveness of the first responder concept. Where fast and immediate response is

critical and in view of the constant traffic congestion, we feel the motorcycle is most appropriate. The 2 motorcycles are fully equipped with the necessary life saving tools for fast and effective application handled by St John’s trained staff worth RM33,000. If proven effective, this may be introduced to other densely populated cities with heavy traffic problems. We believe that with such service, we can respond to the emergency cases competently and efficiently.

Again, we would like to thank Rotary Club of Pudu for their enormous contribution.

Goodyear Marketing Sdn Bhd is continuing their great work by donating 30 tyres for our ambulances. We, as a NGO, always to need to raise sufficient fund to sustain our daily operation, especially the high ambulance maintenance cost that we have to cover for all these years. We are thankful that their contribution makes us able to facilitate the ambulances maintenance cost efficiency.

And, we really appreciate that the Inner Wheels Kuala Lumpur has pledged RM10,000 cash to our organization. We hope to help the needy with the fund donated.

We are glad that YB Datin Paduka Senator Chew Mei Fun is invited as our Guest of Honour to witness our handing over ceremony on this day. We thank her for great support towards our effort to accomplish our mission to contribute for the society.

THE FOUR- WAY TEST

**Of The Things We Think,
Say, or Do.**

1. Is it the TRUTH?

2. Is it FAIR to all concerned?

3. Will it build GOODWILL and BETTER FRIENDSHIPS?

4. Will it be BENEFICIAL to all concerned?

In January 1943, Rotary International Board Of Directors agreed that
'The 4-Way Test' should be part of Vocational Service Ideal.
