**ENJOY ROTARY & 10 REASONS WHY YOU SHOULD VOTE IN THE 13TH GENERAL ELECTION**

Pudu Rotarians like Rotarians all over the world joined Rotary for various reasons. Some serious reasons could be:

1) Like to have **fellowship** with likeminded professionals
2) Like to **give back to society**
3) Like to have **networking** for friendship or for business
4) Like to attend overseas RI conventions
5) Like to meet up with sister club Rotarians

**(Light hearted reasons)**

1) Like to **meet girls/men**
2) Like to have **drinking Kakis**, The Pub, The Beach, etc
3) Like to **travel together**, Songkhla, Hatyai, Bangkok, Manila, Hong Kong, Bandung, Danang, Siem Reap, Shanghai, Bali etc
4) Have **something to do**, some place to go
5) Like to **wear tie/jacket** to look smart
6) Like to **rub shoulder** with Datos, Tan Sris,
7) Hope to meet CEO of a bank to ask for a loan to expand business
   Or meet Miss Malaysia at a function to ask for a date
8) Etc

Whatever reason is a good reason as long the Rotarian pays his dues & his meals! For whatever reason, most Rotarians do contribute positively, no matter how little and Rotary do enjoy a bit of advantage. For some, sorry to say, do leave Rotary in a negative light, feeling sore that they had met the wrong people or had been given the wrong information about the organization.

Without doubt, all Rotarians who have been in Rotary for at least a year, must have enjoyed something about Rotary. It could be one or some of the above reasons. In the meantime, when you are still in it, **ENJOY ROTARY!**

**10 REASONS WHY YOU SHOULD VOTE IN THE 13TH GENERAL ELECTION**

Actually the writer can think of only ONE. Get to the voting booth and exercise your

Democratic rights!!! **HAPPY VOTING!**

My dear Pudu Rotarians,

The famous quote Murphy's Law – "**If anything can go wrong, it will**" rang true recently. A number of our members received anonymous greeting cards in their mail recently. And a few jokingly mentioned they got into stressful situations with their spouse at home as it was suspected to have come from secret admirers. Some are not so candid and went to investigate who was the culprit that sent these cards.

I wish to apologize to our members who have received these anonymous cards. Though I may be the President of RC Pudu, I am not perfect and have many weaknesses. A failing memory is top on the list. I seek your compassion and forgiveness for this over sight and let this not be an issue to lessen your joy in serving the community through Rotary. I will make it up to you as it was an over-sight on my part.

Our week was shattered by yet another senseless act of terrorism. This time was a bomb attack on innocent people at the recent Boston Marathon. Prior to this was the killing of health care workers in Pakistan who were out administering polio vaccines to children. Sometimes we wonder why there is so much hatred around and what can be done to make our world a safer and better place for all? It is a question I believe many world leaders are also pondering about.

Though our world may not be perfect, it is still have many places of beauty and tranquility. The number of kind and good people still out numbered the evil ones. Many of these kind and good people are like you – Rotarians. A special group of people whose motto of "Service Above Self" has impacted our world positively for the past 108 years.

I wish to thank all our Pudu Rotarians who have served and given unselfishly to make our community a better place. May you all be able to let the small things go, so that big things have room to grow in your life and heart. May tomorrow be better than today - because of you.

Until we meet again – peace be unto you.

In Rotary Service,

**Aaron Ong Lai Huat**
President RY 2012/13
